Dear Dick,

This ribbon is t rn and I hope to be able to finish a short note before taking it into shop for checking. Relet 3/31 to HR, Book wrapped and addressed. Will mail in a.m, from P.O. Requires Postal Union, etc. Will send loose billls over my cost back, to closest, but haven't single $1 bill in my pocket.

Haven't seen Sylvia's work on Givens, but willing to believe, as with subornation of perjury by the holies.

Givesn was very vulnerable, so he'd be inclined to swear to anything. I'd like to be sure the cops, who are the ones who could r ally lean on him, didn t set it up.

You'll find simil r case with Stephens in F-U, and now I have infinitely more.

Thanks, birdman.
